# Happy Times

## May 2022

Can you believe that May is already here? We have so many exciting things happening here at Nye Square. You should have received a survey about church bus services – please fill that out and get it back to us so we can work towards implementing our Sunday bus service again. As always, please make sure to call me or leave me a note with any comments or suggestions you may have – I love getting to hear from all of you on the ideas you have for our campus. I hope you all have a Happy Mother's Day and I look forward to seeing you at the May activities/events!
–Brooke Belina, Executive Director

Reminder: We appreciate as much notice as possible for transportation requests. Our drivers are often booked in advance, so please give us as much notice as possible to avoid being asked to reschedule.

Join me in congratulating Cindy – our April employee of the month! Cindy was nominated by her coworkers for going above and beyond to provide personalized service to residents! If you see an employee going above and beyond please leave me a note in one of the suggestion boxes!
