

Affordable doctor visits. Anywhere. Anytime.

Medical Care

Getting an appointment with your doctor when you're sick can be challenging. With telehealth services from Amwell®, you can video chat with a U.S. board-certified doctor from the convenience of your mobile device or computer. The average wait time is less than 10 minutes, and it often costs less than a visit to the emergency room or urgent care.

Telehealth services are available 24/7 in all 50 states. It's perfect when your doctor's office is closed, you're too sick or busy to go in person, or when traveling. You can use telehealth services for:

- Sinus infection
- Cold
- Flu
- Fever
- Rash
- Pinkeye
- Ear infection
- Migraine
- Sore throat

Behavioral Health

With telehealth behavioral health services, licensed therapists are available seven days a week, 7 a.m. – 11 p.m. local time. They can provide treatment for the following conditions:

- Anxiety
- Depression
- Bereavement
- Stress
- Attention deficit hyperactivity disorder (ADHD)
- Obsessive-compulsive disorder (OCD)
- Trauma/Post-traumatic stress disorder (PTSD)
- And more

I love this service! All of our questions were answered and the prescriptions were called in, in less than 30 minutes. Saves me time and gas!
