

NO PLACE LIKE THIS PLACE: YOUR MEMBERSHIP GETS YOU ACCESS TO SO MUCH MORE IN 2026

Dear Fremont Family YMCA Community,

As we look ahead to 2026, we're thrilled to share an exciting year of growth, innovation, and community building at the Fremont Family YMCA. This year marks a significant milestone as we expand our commitment to serving you and your family through our 4-in-1 Member Experience Growth Initiative—enhancing wellness, youth development, community connection, and family engagement across every part of our Y.

Transforming Your YMCA Experience

We're reimagining key spaces throughout our facility to create more opportunities for connection, activity, and growth:

- New FNBO Community Room – Turning our current vending area into a warm, welcoming space where community can connect, gather, and build relationships.
- Enhanced Underground Center – Upgrading our current teen area with improved food and beverage service and expanded activity spaces—creating a vibrant hub for all ages for social connection.
- Indoor Activity & Play Space (Sidner Court 1) – Developing a dynamic new zone for active play for young children and family bonding.
- Renovated RVR Bank Event Courts (Sidner Courts 2 & 3) – Transforming these courts into a flexible, multi-use venue for celebrations, programs, and community gatherings.
- Refreshed Locker Rooms – Updating our facilities to enhance your comfort and overall experience.
- Comprehensive Building Signage & Wayfinding – Making it easier than ever to explore everything your YMCA has to offer.

These improvements reflect our ongoing commitment to being more than a gym—we're your community hub for wellness, growth, and belonging. We understand that costs for everyday needs continue to rise, and we've worked diligently to keep membership affordable while delivering the enhanced, high-quality experience you deserve.
